

Made in Whitby Performers/entertainment members Terms & Conditions

Membership fees/stall charges will be discussed and agreed on application with individuals/organisations that provide a performance and or part of the interaction entertainment.

At busy times and high demand festivals these members may be asked to use a smaller stall or share a stall but this will be discussed and communicated in advance before a festival.

Performance members will be asked to provide an outline of what they plan to do over the festival with rough descriptions and timings so that a plan can be put together and allow a smooth running timetable for everyone.

It is the responsibility of individuals to arrange manning of their own stalls whilst performing – sharing a stall may help in this.

Only items/products to be on the stall that have been previously agreed due to the criteria that Made in Whitby are working towards.

Any questions/queries please do not hesitate to get in touch – we hope you will continue to join us in making Made in Whitby Festivals a success into 2025 and beyond.

Please use the membership application form so we can keep a full and current database of contact details etc.

Many Thanks,
Made in Whitby
